# Know Where You Are Going, and How to Get There

*Draw a Map...*

## ***Pick a Meeting Spot***

Where will you and your family meet if you need to get out of your house or are coming from different points? Pick two meeting spots; one in your neighborhood and one out of your neighborhood. Mark each of your meeting points on the map.

***One in your neighborhood:***  
(such as neighbor's house or large tree)

---

---

***One out of your neighborhood:***  
(such as the library or church)

*...Of Your Neighborhood*

## ***Know the Exits***

Do you know at least two ways out of every room in your house in case of a fire? Mark on your map at least two ways to exit your house.
